

OTTAWA SKI CLUB NEWS

Chances for a long period of spring skiing are not very bright just now, but fresh snow and frosty weather may still be in the making. Cheer up! Do not put your skis away just yet. And if the snow goes, don't forget that there will be good walking on the trails until the fly season.

Let us in the meantime get busy about that Dinner-Dance announced in our last circular. We want to get together to discuss a few things about this good old Club of ours, distribute the prizes won during the year, celebrate the end of a highly successful season, prepare for a better one still, and have a darn good time generally. Of course you will be there, all the while as well as the cripples with their crutches. It is a long time since we had dinner together, except around the tables of Camp Fortune, and some of us may need just such an opportunity to brush up our table manners; it is a long time also since we danced to the tune of a good orchestra, and this will give us a chance to improve our technique.

The invitation to attend this Dinner-Dance extends not only to the bona fide members but also to their friends. Get busy from now on and form your party, and make it a large party.

The date of this event is Thursday, April 16th--four days after Easter. The Dinner will take place in the Jasper room of the Chateau Laurier, at 7 p.m.; the Dance, also in the Jasper room, or, if the number of guests justifies it, in the regular Ball room. The music will be supplied by Berkley Kidd's orchestra. 'Nuff said! The price of the single ticket is \$2.00, which barely covers expenses. In other words, the Club is not making any money out of this; our only purpose in organizing this event is to give our members a good time and promote a proper Club spirit.

Telephone Bob McGiffin (Queen 769), or any member of the Executive as soon as you can, and reserve your tickets. It would save us a great deal of worry if we could know within a few days whether our guarantee can be met, and it is hoped that you will co-operate by making your reservations early. Please do not wait until the last minute.

All aboard for the Ottawa Ski Club Dinner-Dance!

Ski-Exchange - Miss Ruth O'Halloran's skis were taken from the bus at Old Chelsea by some one who left in their place a pair of long, heavy hickory skis, bearing No. 169. Will the person who made the mistake kindly phone R.806.
